

HIGH TECH/HIGH TOUCH EMAIL MANAGEMENT SYSTEM AND SERVICES FOR REAL ESTATE

Creating a custom email layout and quickly delivering it to your customer's inbox is a snap with REOL's Email Management System and Services. Our email system and service empowers real estate companies to easily manage email marketing campaigns and customer relationships. By combining web-based technology to manage contacts, deliver emails, and track recipient responses, with client-directed design and production customizations, REOL provides companies with a streamlined and effective way to promote and maintain important relationships.

Visit our website at www.reol.com for more information on this and other online real estate-focused services.
